NOTICE

Dear Parents,

Parents are hereby informed that relaxation of fees has been allowed by the State Government but it has been clarified that tuition fees must be paid, still many parents haven't paid the tuition fees also till date. Due to the non- payment of the fees, the school is unable to continue its payment of salary to the staff. Teachers are taking online classes fullfledge to fulfill the requirements of the academics.

All schools may reopen very soon as per the government's decision, hence kindly pay your ward's fees and clear previous year's dues also. Before school reopens the dues must be cleared in order to facilitate your ward's smooth education. Parents are requested to take care of clearing their dues.

Kindly ignore if you have already paid the fees.

Thank you

Principal
